Dear Mr. Vedavyasacharya,

8/4

Visit of His Excellency the Governor-General to Bangalore

I enclose a copy of the resolution passed unanimously by the Municipal Commission, Civil Station, Bangalore, at a special meeting held on the 6th April 1948

2. At the outset I explained to the Commission that in view of the fact that His Excellency Lord Mountbatten would be arriving in Bangalore on the evening of the 27th April and leaving the next morning, it was inevitable that public functions have to be reduced to the barest minimum I added that in the circumstances Government desired a joint function to be arranged at an agreed place at which both the City and Civil Station Municipalities could present separate addresses. The unanimous wish of the house however was that for the reasons explained below, a separate function should be arranged by the Municipal Commission in the Civil Station

3 The reasons which weighed with the Commission in arriving at their decision are explained below

4 In the first place it was pointed out that inasmuch as the Civil Station Municipality would not continue to be a

In this behalf

separate entity for long, the present opportunity of giving a civic reception to Governor-General might not recur again. As this would be the last of such functions so far as this Municipality was concerned a chance for a separate function may kindly be accorded.

5. Secondly in view of the long association of the Civil Station with the Government of India, it would only be appropriate that the station Municipality is given an opportunity to give an independent reception and to present an address to His Excellency the Governor-General, especially since such opportunities have been given in the past.

6. Another point urged was that at the joint function the number of invitations to be issued would be limited and it would not be possible to invite all the persons in the Civil Station that will have to be invited. As the Civil Station invitees alone would be nearly 2,000 a joint function cannot be undertaken as there would be confusion

7. In the circumstances I request that the wishes of the Municipal Commission in this regard may kindly be met and the civic reception to the Governor-General by the Municipal Commission, Civil Station, included in the programme as a separate item

8 I request that orders of Government may kindly be obtained and communicated early to enable me to proceed with the arrangements.

Yours sincerely,

President, M C

Municipal Commission s resolution dated the 6th April 1948.
(Special Meeting)

The President, Municipal Commission, said that the special meeting was convened to formulate proposals in connection with the ensuing visit of His Excellency the Governor-General of India, to Bangalore on the 27th April 1948. He explained that he had an informal talk with the President of the City Municipal Council, and that in view of the short time, which His Excellency would be having during his stay here, it would be advisable to have a joint function of the City and Station Municipal Commission at the Victory Hall both the Municipalities presenting separate addresses.

In the discussion that ensued many members of the Commission spoke on the disadvantage of a joint celebration, and finally it was decided unanimously to have an independent function to be celebrated at the Municipal Office, Civil Station.

Resolved that the Municipal Commission of the Civil Station of Bangalore, do present a civic address at the Municipal Offices, Civil Station, to His Excellency the Governor-General of India, on the occasion of his visit to Bangalore on the 27th instant and that Government be requested to include this item in the programm of H E the Governor-General.

It is also resolved that a sum not exceeding Rs.2,000/- be spent for the expenses of the function.

President, M. C.
